

capacity development

AIM

To build capacity in our network and to consolidate the expertise of CCI Europe in the childhood cancer field, by fostering education, developing intercountry collaboration and maintaining continuous communication with the CCI-E members and other partners and stakeholders

education

- Increase number of skilled people active in our community
- Involve in national/EU health policies

- Set up patient education programs
- Develop our network of patient advocates

MAIN ACTIONS/PROJECTS

LIST OF EXISTING TRAINING COURSES IN WHICH WE CAN PARTICIPATE

SURVEY TO DEFINE CCI EUROPE MEMBERS' EDUCATIONAL NEEDS

SET UP OUR OWN TRAINING PROGRAMS

PARTNER IN TRAINING/EDUCATION PROGRAMMES

- CCI EUROPE EDUCATION PROGRAMME: WEBINAR SERIES BASED ON SURVEY OUTCOMES

- TRAINING HCP: SIOPE COURSE IN PAEDIATRIC ONCOLOGY
- ERASMUS K2 PROJECT (ENGLISH)
- ALADDIN PROJECT IN COLLAB WITH R&I

networking

- **INTERNAL:** foster intercountry collaboration among CCI Europe members
- **EXTERNAL:** nurture relationships with all stakeholders

- Share good practices and increase structured communications
- Proactive participation in multi-stakeholders activities

MAIN ACTIONS/PROJECTS

INTERNAL

- CCI Europe Conference in Vienna
- Virtual meetings (i.e. EU Public consultations in collaboration with European Affairs pillar)
- Ukraine sharing experiences and information
